H & H Chicago Yarns are Here

The amazing yarn that we purchased in Chicago is mostly here. At our June Wine & Design we had everything on display and have decided to leave it up for a little while longer before we find homes for the new yarns. There are pictures on the events page of the website for you to enjoy.

What's In Store

Teresa and I will be hosting a couple of dyeing demonstrations. This method is fun, simple and easy to do at home. In the coming months we will be hosting other dye workshops where you will experiment with other techniques and get marvelous and unique yarns. I know that it is short notice but our supplies have arrived and we are so excited to share this with you - the dates are June 26th at 1pm and June 29th at 3pm.

Wine & Design

Our July Wine & Design will take place on Wednesday, July 10th and there will be not just a Mystery Box but also Mira herself joining us via Zoom. Reservations are required for these events.

Crochet Classes are Ongoing

Kelly will be continuing her beginning and beyond crochet classes throughout the summer. If you would like to attend a Saturday session please let us know by Thursday before Noon.

Summer Is A Great Time To Weave

Is weaving right for you? Try a three session weaving class with Teresa and find out. Schedule your classes and we will get a loom ready for you to sit down and begin weaving. Already weave, brush up on some finer details or try something new.

Mara Cowl

I fell in love with the Mara Cowl when I saw it. It has an elegant complexity to it but in reality it is a lot easier than it looks. I will have some fun yarns kitted up but you might want to try holding two yarns together like Aspen & Halo or Feliz and Cabrito or one of the many combinations to get a light worsted. There are also some lovely Sugar Cane yarns as well as wonderful cottons just in.

Cables - Yes Please!

When I decided that I wanted to feature cables this year I thought it would be easy to go on Ravelry and pick one or two. Not the case. I kept finding more and more - there were cardigans, sweaters and vests. Joji Locatelli even has one that is both. So, I thought it would be fun to put pictures of the patterns in the newsletter and let all of you vote for your favorites. From now until July 4th send me an email with your top 3 choices and I will announce the selections on July 5th. Have fun - I know that I did, but let's see if you can narrow it down better than I could. There is a listing to all the patterns on the next page, links are available on the website.

Ashford Spinning & Weaving

There are fabulous Wheels and Looms from Ashford in stock. Not sure which one you want, call ahead and I will have that equipment ready for you to sample.

BAM Fiber Tools

If you want the best fiber processing equipment I have a wonderful selection of hackles and combs from BAM

Spinning & Felting Fiber

Don't forget that there are always amazing fibers for our spinners. Silks, blends, corriedale, merino, lambswool, hand dyed and naturals. These fibers are also very good for needle felting.
